Project Definition:

Background. Identified in 2017 General Sewer Plan.

Objective. Whipple Creek Trunk will serve the eastern quadrants of the NE 179th Street / I-5 junction area employment corridor and allow for the eventual abandonment of the existing Fairgrounds Pump Station. The Killian Commercial project will provide a portion of the Whipple Creek Trunk.

Scope of Work. Whipple Creek Trunk will extend from the existing Whipple Creek North Pump Station north and west to NE 179th Street and west along NE 179th Street to the east side of the junction with I-5. The Killian Commercial project will extend a portion of the Whipple Creek Trunk along NE 179th Street from NE 15th Avenue to NE 10th Avenue and north through the development site. District reimbursement for oversize.

Project Statistics. Gravity trunk: 4,500 feet of 10-inch and 24-inch gravity trunk.
